

Websites for Parents on Minecraft

Check out these Websites for Parents on Minecraft

There are lots of great resources online to learn about how video games, like Minecraft, help kids learn. We have put together a selection of some of the best websites on the Internet, with lots of information on websites for parents on Minecraft and other video games. Check out the links below, which are updated regularly by our team at South County Child and Family Consultants.

[Minecraft](#): The main website to purchase and download Minecraft. Join your kids who love Minecraft by playing this amazing game.

[MineMum](#): This site has a variety of resources for parents with kids who love Minecraft. It will help you involve yourself more so that you can understand what your child is talking about and you can help them make their game experience better.

[LearningWorksforKids](#): This website has many resources and articles about Minecraft and other games that kids love, and how they can be utilized to promote better learning techniques.
